Dear Mr Pateman-Gee

**DC/19/02605 Outline planning permission with all matters reserved except the access point for the demolition of existing industrial buildings and construction of 134 dwellings, employment provision (Use Class B1), community building, provision of public open space including playing fields, village greens, green corridors, community orchard, landscaping and surface water attenuation and associated works (amended scheme to refused application DC/18/03592)**

**Former Poultry Processing Plant Haughley Park Haughley Stowmarket Suffolk IP14 3JY**

I am writing on behalf of the Suffolk Preservation Society to register our objection to the latest proposals for the former chicken processing plant at Haughley Park which now incorporates an element of employment land and public open space. The Society continues to object to the amended scheme on the grounds that firstly, it is an unsustainable location for a large scale residential scheme and secondly the proposal will result in harm to the setting of the grade I listed Haughley Park and the historic parkland. We therefore refer you to our previous detailed objection, dated 10 September 2018 (attached), and wish to restate our objection.

Yours sincerely,

**Fiona Cairns IHBC MRTPI**
