Dear Mr Cameron

**DC/20/02957 Application under Section 73 of the Town and Country Planning Act - Variation of Condition 2 (Approved Plans and Documents), Condition 4 (Provision of Visibility Splays) and Condition 19 (Layout of Lodges) on planning permission 4979/16 (Use of land for the siting of 9no. holiday lodges (within definition of a caravan) and construction of vehicular access.)
Land South Of Wood Farm Stonham Road Crowfield Ipswich Suffolk IP6 9TH**

Thank you for consulting the Society on the amended scheme which was consented under Ref 16/4979 for 9 holiday lodges. The Society strongly objected to the extant consent on the grounds of harm to the setting of adjacent heritage assets. We are pleased to note that the revised layout is more neighbourly in so far as it removes the north and south access points. It also provides greater levels of tree planting within the site, together with setting back the two lodges closes to the front boundary and enhancements to the main access by narrowing and hedge planting. The revised layout results in improved levels of screening and reduces some of the identified harm to the setting of heritage assets.

Yours sincerely
