SUFFOLK PRESERVATION SOCIETY

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2022

The trustees, who are also directors of the charity for the purpose of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2016)

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Society works to preserve and enhance the buildings, landscape and coastline of Suffolk. It continues to pursue this key aim by making professional informed representations on planning applications arising anywhere in the county where, in the opinion of the Society's professionally qualified planning officers, those developments would harm the interests the Society seeks to protect. This work is critical in preserving the best of the county's common inheritance for the benefit of all.

Review of activities

SPS has had a good year with increased outputs, impacts and successes, all underlined by a 10% increase in membership. We thank all our members, new and old, for supporting us in our very important work. Our members give us our mandate, help us to raise crucial income, but more importantly help us to raise our voice and increase our effectiveness. The last twelve months has seen a continued growth in major development across Suffolk; SPS planners have been heavily engaged with this. However, we have also widened the scope of our work with a number of exciting new initiatives.

2022 saw a full calendar of training, lectures and social events and we have been lucky enough to secure access to some of the county's most exclusive and beautiful locations including Tendring Hall and Sibton Park.

Routine planning activities

Through our sustained campaigning work, we have seen some real successes this year in the proposed changes to the Levelling Up Bill. This sees a major planning breakthrough with the scrapping of housing targets which have so often meant damaging development in Suffolk because of top-down targets, disempowering planning authorities and disenfranchising local communities. Other important breakthroughs include a major shift in government policy to prioritise the development on brownfield (previously developed) land over greenfield.

The Society's position remains that the scale and complexity of each of these very large applications has the potential to overwhelm the finite resources of the charity. Accordingly, the trustees have agreed that the Society would provide support, as far as capacity allows, in terms of signposting special interest groups to appropriate specialist expertise, and offering input on their evidence, using our own in-house expertise. The Society has concluded that to fight all of these energy applications

SUFFOLK PRESERVATION SOCIETY

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

'all the way' would prevent it from discharging its duties to the rest of the county where many other pressing applications arose during the year.

Our work with communities in Suffolk has recently developed to include exciting project work. In 2022 we were successful in a second round of funding from CPRE, to reinstate/restore hedgerows in the Dedham Vale AONB as part of the Hedgerow Heroes campaign. SPS has been pleased to work with the Dedham Vale Farmer Cluster to provide vital funding for this important restoration work.

We have continued to respond to sensitive planning applications affecting protected landscapes, listed buildings and other sensitive locations across Suffolk. In 2022 we responded to 57 planning applications and 15 local and national planning consultations affecting our countryside and built heritage including 12 responses to consultations on energy Nationally Significant Infrastructure Projects. Of the planning applications that have been determined, the views expressed by the SPS have to a greater or lesser extent been successfully reflected in 69% of the decisions. We consider this to be a good outcome and, in addition to this, SPS has continued to provide planning advice to many individuals and communities to help them understand and respond to planning issues that affect them.

We are proud that we have been able to work with and offer support to a number of single-issue campaign groups in Suffolk. In particular, we are pleased to have supported the Say No to Sunnica group campaigning against Sunnica, a solar factory in West Suffolk and East Cambridgeshire.

We have also worked closely with a community group known as CARE Suffolk who are fighting for the best outcomes from 3 solar farms in and around Bramford. We have continued to support the work of SASES and SEAS, who have campaigned tirelessly against the selection of Friston for an energy hub near the east coast. We have supported their work by writing to MPs and ministers at crucial points in their campaign.

Finally, we have been pleased to work alongside the Coalition of Amenity Groups in the East of England, who are pushing local MPs to resist the proposed pylon lines by National Grid. Together we are standing up for Suffolk, holding our local representatives to account, pushing back on damaging schemes and demanding that affected communities' voices are heard.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

OBJECTIVES AND ACTIVITIES

Routine planning activities

The planning casework continued throughout the year, with the Society's qualified planning officers responding to over 60 major or controversial planning applications, 6 Nationally Significant Infrastructure Project responses and 16 policy consultations ranging from neighbourhood plans, emerging district local plans, and government consultations including energy and changes to the planning system. Through those responses we worked hard to ensure that planning applications and emerging planning policy safeguard the historic environment, create high quality places and new developments that are in the right locations to protect the special qualities of our county.

Many of the usual face to face activities that the Society would have carried out have been interrupted due to the pandemic. However, a successful webinar was provided, in association with

Suffolk Association of Local Councils, for Neighbourhood Planning training to parish councils. The Society also launched its first Heritage Champion Awards, which proved to be very popular and culminated in an Awards ceremony for the 13 winners at Sibton Park in spring 2022. The Society also worked with the Stour Valley Farmer Cluster delivering a Hedgerow Heroes project, restoring hedgerows in the Stour Valley, with funds made available from CPRE.

Despite the challenges of the pandemic and the continuing demands of national energy projects, the Society has worked diligently and effectively in the discharge of its charitable duties to protect and promote the special heritage and landscape qualities of Suffolk.

Public benefit

The Trustees confirm that they have referred to the Charity Commissioner's General Guidance on Public Benefit when reviewing the Charity's aims and objectives and in formulating future plans.

FINANCIAL REVIEW

Financial position

Investment income provided £10K (24%) and remains stable as the Society's fund managers CCLA maintained its dividend. The Society shortly expects to add £100K to their holdings. Sponsorship and donations amounted to £220K (84% of *total* revenue) with a residual legacy element expected in 2023.

The outturn of the receipt of a significant legacy allowed the Society to show a surplus. The Society has always budgeted for an annual deficit because of its significant endowment, consistent with CC guidance.

SUFFOLK PRESERVATION SOCIETY

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2022

The Society's long term policy of maintaining strong reserves has been entirely vindicated, but the Society has begun to build up its activities again and works to rebuild its still strong balance sheet.

FINANCIAL REVIEW

Investment Policy

CCLA continue to advise the Society, based on a moderate risk strategy which resulted in a steady increase in fund into the third quarter of the year.

Reserves Policy

The Society will continue to husband its reserves with caution, and the importance of these reserves has become increasingly clear as the financial impacts of the pandemic continue to bite.

FUTURE PLANS

The key objective of the Society during the continuing adverse phases of the pandemic must be to control its finances wisely and to control its costs where it can whilst focussing energy of staff and trustees on sustaining the valuable planning work output of the team. If the Society can do this it will be fulfilling its charitable objects and striving to protect and enhance the natural and man-made beauty of the whole of Suffolk.

STRUCTURE GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document based on the "associated" model Charitable Incorporated Organization constitution published by the Charity Commission, adopted on 25 November 2013. The Charity's constitution was updated during 2021 and adopted on 5 November 2021.

The Charity commenced its undertaking as a Charitable Incorporated Organization (CIO) number 1154806 on 1 January 2014 having taken over the liabilities and assets of the previous charity number 249981.

Recruitment and appointment of new trustees

The Society is a registered charity and is supported by a number of Trustees who constitute the Board. New Trustees are nominated by the Board drawing on their experience and, subject to approval are co-opted on to the Board of the Society. They will become full Trustees by confirmation of their status by a vote at the following AGM together with being a full member of the CIO. On becoming a Trustee, the candidate is given a welcome package including details of meetings, the organization of the Society and duties and obligations of being a Trustee, as identified in Charity Commission guidance.

Sir Guy Quilter and Karl Debenham were appointed as trustees by members at the AGM on 10 June 2022. Longstanding trustee Rev. Tony Redman retired.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2022**

STRUCTURE GOVERNANCE AND MANAGEMENT

Organisational structure

The Board is supported by a paid Director, who is both a qualified Planning Officer and a Conservation Officer, a Planning Officer and an Office Manager, all of whom are part time. The Chairman and Director are available to answer any questions the Trustees may have.

Decision making

The Trustees comprise the Board which sets policy and strategy and has an overriding duty to ensure the Society acts within its remit and manages its assets wisely and prudently.

Relationship with other Charities and with related parties

The Society acts as the Suffolk representative of the Campaign to Protect Rural England (CPRE) to whom CPRE members pay their subscriptions direct at rates determined from time to time by the CPRE. The CPRE determines the share of each individual subscription which the Society is entitled to receive back in respect of its numbers. For the year to 31 December 2021 the Society received 50% of the total subscriptions paid by its members direct to the CPRE.

The Society rents an office within Little Hall in Lavenham, in a building owned by the Suffolk Building Preservation Trust. A four year rental agreement is now into its third year.

The trustees were made aware of the announcement of a legacy (January 2020) which has yet to be received by the Society. The quantum of this legacy remains unknown as is the likely timing of its distribution so trustees are unable to make any provision for it in this statement. The advice received to date from the solicitors acting for the Estate indicates that the legacy is likely to be significant to the Society.

The Trustees have given careful consideration to the question of 'going concern'. In the light of the financial information given in the report above, and excluding any speculative valuation on the legacy, the Trustees are of the opinion that it is appropriate to continue to prepare its accounts on the 'going concern basis' during the 12 months from the date of approval of these accounts.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
SUFFOLK PRESERVATION SOCIETY**

Independent examiner's report to the trustees of Suffolk Preservation Society ('the Company')

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination, I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached

**SUFFOLK PRESERVATION SOCIETY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022**

The notes form part of these financial statements

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland': - the requirements of Section 7 Statement of Cash Flows; - the requirement of Section 33 Related Party Disclosure paragraph 33.7.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Life subscriptions are brought into incoming resources over a period of ten years from the year of receipt.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Intangible fixed assets

The computer software cost relates to the charities new website. The website did not go live until January 2021 and will be amortized on a straight line basis over five years from 2021.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Office equipment - 20% on reducing balance
